### TABULAR STATEMENT OF MARRIAGES.

The following pages present in tabular form the most important of the details contained in the marriage records upon which this Inquiry is based.

In the column headed "Partners in Marriage," the word "Husband" or "Wife" printed in roman type indicates a deaf person; in *italics*, a hearing person; in **heavy-faced type**, unreported whether deaf or hearing.

In the columns headed "Number of Children," "Brothers and Sisters," and "Deaf Relatives," the dash (—) indicates that there were no persons of the class named; the dotted line (....) that I have no information concerning the existence of such persons. The abbreviation "sev." stands for "several."

The heading "Unknown" means "Unknown whether deaf or hearing."

In the columns headed "Deaf Relatives" and "Remarks" the numbers refer to the "Reference numbers" of the marriages as they are recorded in this Tabular Statement.

"Age of deafness" means "Age at which deafness occurred." The age is given in years or fractions of a year. The abbreviation "Inf." means "Infancy;" "B" means "Born deaf," and the dotted line here, as elsewhere throughout the Tabular Statement, indicates absence of information.

In the column headed "School for the deaf where educated," the abbreviation of the name of a State indicates a State school for the deaf. Other schools are indicated by the most prominent words in their titles or by the names of the towns where they are situated. The abbreviation "Coll." stands for "Gallaudet College;" "H. M." for "Horace Mann School;" and the letters "C," "N," and "W," prefixed to the initials of a State, for "Central," "Northern," and "Western." The dash indicates that the person did not attend any school for the deaf; the dotted line, absence of information.
